

Gift Catalog

The Pekin Park Foundation provides a Gift Catalog listing items that one may purchase as a recognition, a memorial, or to fulfill a desire to make a specific gift to the park. In the past, gifts have included park benches, lamp posts, bench swings, and other items that the park has identified as desirable improvements. The cost of each item also includes a plaque, installation and future maintenance of the item. For the Parkside Fitness donations, a recognition plaque will be placed by the front desk. The Pekin Park Foundation will assure anonymity of your gift or bequest, or publicly recognize you or your family. Please note that items purchased through the Pekin Park Foundation are tax deductible donations and become the property of the Pekin Park District. The District may move or relocate the item if necessary, including removing the donated item at the end of the item's life without consulting the donating party. The final determination of an item's location will be made by the Pekin Park District. The District will make every effort to accommodate the desired location of where the donor would like an item placed.
